Re: VIP Cleaners Superfund Site, Morristown, Morris County, NJ
Notice of Potential Liability and Demand for Costs Pursuant to the Comprehensive
Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, et seq.

Dear Mr. Austin:

The United States Environmental Protection Agency ("EPA") is charged with responding to the release or threatened release of hazardous substances, pollutants and contaminants into the environment and with enforcement responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. §§ 9601-9675, ("CERCLA"), (also known as the "Superfund" Law). For your information, a copy of the Superfund law may be found at www.epa.gov/superfund/action/law/index.htm.

EPA has documented the release and threatened release of hazardous substances into the environment at the VIP Cleaners Superfund Site (the "Site") located at 89 Morris Street, Morristown, Morris County, New Jersey. The Site consists of a former dry-cleaning facility where a series of dry cleaners operated from the 1940s until 2008. The dry cleaning operations contaminated the soil and ground water at the Site. The operators used chlorinated solvents, including tetrachloroethylene (PCE), for dry-cleaning operations at the facility. PCE and trichloroethylene (TCE), which is a breakdown product of PCE, are hazardous substances under CERCLA and were found at the Site

In response to the release of hazardous substances EPA evaluated soil vapors beneath the site structure(s) and monitored vapor mitigation measures undertaken by Mr. Peter Austin. EPA's activities also included the coordination and collection of indoor air samples from within various portions of the building to document the effectiveness of the mitigation measures.

Notice of Potential Liability

Under CERCLA and other laws, responsible parties may be held liable for monies expended by the federal government in taking response actions at and around sites where hazardous substances have been released, including investigative, planning, removal, remedial and enforcement actions. Responsible parties under CERCLA include current and past owners and operators of the facility from which there has been a release or threat of release of a hazardous substance.

Based on information that EPA has obtained in connection with the Site, EPA believes that you are one of the current owners of the Site and were an owner at a time of disposal of the PCE at the Site. By this letter, you are notified that EPA has reason to believe that you are a potentially responsible party ("PRP") with respect to the Site, within the meaning of Sections 107(a)(1) and (2) of CERCLA, 42 U.S.C. §§ 9607(a)(1) and (2).

Demand for Reimbursement

EPA wishes to determine whether you are prepared to reimburse EPA for the costs it has incurred with respect to the Site. As of February 28, 2009, EPA has incurred approximately \$131,667.57 in costs to carry out the response action at the Site.

In accordance with Section 107(a), demand is hereby made for payment of the above sum plus any and all interest recoverable under Section 107(a) or any other provisions of law. Pursuant to Section 107(a), interest on \$131,667.57 will begin to accrue as of the date of this letter, and interest on any additional costs will accrue from the date of expenditure. Enclosed please find a "SCORPIOS" Report, which is a computer generated breakdown of the different categories of costs incurred by EPA at the Site. All of the costs incurred by EPA with respect to the Site are charged to the Hazardous Substance Superfund, established pursuant to 26 U.S.C. §9507 and administered by EPA.

We request that you advise us of your willingness to reimburse EPA for the costs incurred with respect to the Site. Please reply to this request in writing **within 30 days** of your receipt of this letter. Your reply should be sent to:

Irmgard Lopez
Emergency & Remedial Response Division
Removal Action Branch
U.S. Environmental Protection Agency, Region II
2890 Woodbridge Avenue, MS-211
Edison, New Jersey 08837

and to:

Michael J. van Itallie
New Jersey Superfund Branch
Office of Regional Counsel
U.S. Environmental Protection Agency, Region 2
290 Broadway, 17th Floor
New York, NY 10007-1866
vanItallie.michael@epa.gov
212-637-3104-telefax

This demand for reimbursement applies only to past response costs which have been incurred by EPA with respect to the Site. If you do not notify EPA within the time specified above that you are prepared to reimburse EPA for its costs, we will conclude that you have declined to reimburse the Hazardous Substances Superfund for Site expenditures, and EPA may pursue its other enforcement options, including possible referral to the Department of Justice for collection.

ABILITY TO PAY

EPA is aware that some PRPs may have limited financial ability to contribute toward the payment of response costs at a Site. If you believe, and can document, that you, individually, fall within that category, please contact Ms. Lopez at the address above for information on making a claim of inability to pay. To process a claim of financial hardship, EPA will require documentation. Also, please note that because EPA has a potential claim against you, you must include EPA as a creditor if you file for personal bankruptcy.

RESOURCES AND INFORMATION FOR SMALL BUSINESSES

As you may be aware, on January 11, 2002, the Superfund Small Business Liability Relief and Brownfields Revitalization Act was signed into law. This Act contains several exemptions and defenses to CERCLA liability, which we suggest that all parties evaluate. You may obtain a copy of the law via the Internet at <http://www.epa.gov/swerosps/bf/sblrbra.htm> and review EPA guidances regarding these exemptions at <http://www.epa.gov/compliance/resources/policies/cleanup/superfund>.

EPA has created a number of helpful resources for small businesses. EPA has established the National Compliance Assistance Clearinghouse as well as Compliance Assistance Centers which offer various forms of resources to small businesses. You may inquire about these resources at www.epa.gov. In addition, the EPA Small Business Ombudsman may be contacted at www.epa.gov/sbo. Finally, EPA developed a fact sheet about the Small Business Regulatory Enforcement Fairness Act, which is enclosed with this letter.

If you have any questions regarding this letter, or would like to discuss these matters with EPA, you may call Ms. Lopez at 732-906-6813. Please direct all inquiries from an attorney to Mr. van Itallie at 212-637-3151.

Sincerely yours,

Raymond Basso, Strategic Integration Manager
Emergency and Remedial Response Division
